pedroblossbraga

Professional experience

2020 **Banco Safra**
Data Scientist, Pl/ Anti-Money Laundering Analyst

- Data Analysis
- Web Scraping
- Statistical Modelling
- Web/Desktop Applications
- Investigation, Anti-terrorism financiating

2020 **Estalajadeiro**
Co-founder, Data scientist

- Hotel consulting: Web development, data analysis

2019 - 2020 **Weduu**
Data Scientist, Jr
Data Scientist, Trainee

- Data Analysis/Visualization/Modelling
- Regression Modelling
- Clustering
- Recommended systems

2018 - 2019 **Dom Bosco High School**
Mathematics and Physics Assistant Professor
Physics Intern

- Mathematics, Physics, Education

Programming skills

Python	●●●●●
R	●●●●○
Go	●●●●○
SQL	●●●○○
JavaScript	●●●○○
Linux/Shell	●●●○○
Git	●●●○○

Education

2019 **Applied and Computational Mathematics - Bachelor**
Qualification in Econometrics
Institute of Mathematics and Statistics - University of São Paulo (IMEUSP)
In course

2017 - 2019 **Physics - Bachelor**
Institute of Physics - University of São Paulo (IFUSP)
Transfered

Natural languages

English	**Fluent**
Portuguese/Português	**Native**
Spanish/Español	**Advanced**
German/Deutsch	**Learning**

Mathematics/Studies

Computer Science: Algorithms; Object Oriented Programming; Data Structures, Multiprocessing, Web Scraping, etc

Mathematics (Pure and Applied): Linear Algebra; Optimization; Basic Topology; Calculus, etc

Probability/Statistics: Inference; Simulation; Stochastical Processes, etc

Machine Learning/AI: Similarity Analysis ; Clustering; Regression; Classification; Preprocessing; Hyperparameter tuning; Deep Learning; Dimensionality Reduction; Regularization

Courses

Getting Started with Go - Coursera, University of California Ivory

Reinforcement Learning - IMEUSP, Summer Course

Applied Machine Learning with Python - Coursera, University of MichiganIntroduction to SQL: Consulting and managing data - Khan Academy

HTML, CSS, JS - IMEUSP, Summer Course

Data Science: R basics - EdX, HarvardX

Projects/Useful links

Deep Learning - Theory (Portuguese)
https://bityli.com/qruSe

Deep Learning - Practice (Portuguese)
https://bityli.com/d5jQK

Getting Started with Go - from Python to Go
https://bityli.com/4Co3c

Singular Value Decomposition (SVD)
https://bityli.com/ngcaZ

Regression ensemble model (data preprocessing, model selection, hyperparameter tuning)

Recommendation System (Jaccard similarity)

Hobbies/Interests

videogames

classical music

books

classical guitar

investments

hacking

coffee

chess
